

Over **\$3.8 billion** of our U.S. tax dollars go to Israel each year, helping it seize Palestinian land, build illegal settlements, and impose military rule — demolishing homes, curtailing movement, and denying human rights and freedom to the Palestinian people.

This is a major obstacle to peace and it undermines our own national interests.

I urge you to **redirect our taxes** to end the Occupation and demand a unitary and democratic state with equal rights for all people.
